

## China Doll

2017 CALIFORNIA

Rosé

For the second year in a row, the Syrah and Grenache in the Capay Valley impressed us with their flavor and color, so much so that we decided to use the same fruit as the 2016 vintage to make our 2017 China Doll. Delicate and fragile, much like the vintage doll on the label, the wine exudes the characteristics that make rosé perfect for almost any occasion, while also staying true to the Orin Swift style.

### WINEMAKER'S NOTES

Ruby in complexion, the 2017 China Doll opens with bright aromatics of candied strawberry, rhubarb and crisp Pink Lady apples. The entry is rife with wild raspberry and strawberry shortcake with a touch of pink guava and vanilla. A beam of acidity combined with fresh aromatics and a quenching palate, the wine closes gracefully with hardly any trace of tannin.
