

## China Doll

2018 CALIFORNIA

Rosé

For the first time ever, we decided that the Grenache and Syrah from the Central Coast would be suited best for our China Doll rosé. Our style requires finding grapes that are able to ripen well but also keep a natural acidity and a palate of flavors; the fruit from the Rancho Real Vineyard did just that. Using primarily Grenache and Syrah, we were able to produce a rosé suited to China Doll—delicate and nuanced but with lots of complexity.

### WINEMAKER'S NOTES

A deep salmon in the glass, the wine bursts with aromas of ripe raspberries, wild strawberries and juicy honeycrisp apples. A quenching entry and mid-palate packed with ripe red fruits, rose hips and a touch of flint. It finishes cleanly with lively acidity and sweet strawberry, inviting for more.
