2017 NAPA VALLEY CABERNET SAUVIGNON

Our goal year in, year out, is to produce wines of resounding quality consistently; 2017 was a tough year that challenged our ability to do so. And while both heat spikes and devastating fires will be most known for the vintage, we were able to produce a Napa Valley Cabernet Sauvignon that is still representative of the region. Comprised of fruit from both valley floor and the mountain ranges, the wine brings the region to your glass, wherever that may be.

WINEMAKER'S NOTES

A seamless assortment of classic Napa Cabernet aromas exude from the glass—cassis, black cherries, chaparral and a touch of intriguing butterscotch. On the palate, the wine is tastefully expressive with ripe raspberry, crème caramel, bay leaf and two types of currants—red and black. Carrying its own weight through the finish, the wine's prominent tannins will soften over time.
