2020 CALIFORNIA RED WINE

At Orin Swift, we have been fortunate to have access to a wide range of vineyards across California. Luckily, this diversity of sources meant that the horrific fires of 2020 spared most of our fruit. Carefully tasted, tested and tasted again, we made sure any lots included in our 2020 wines were free of smoke taint. *Abstract* being one of our largest blends, we were diligent with the process of evaluating the wines; a patchwork of individual lots that retain some of their character but meld seamlessly together—like the collage—is why this wine is always a team favorite.

WINEMAKER'S NOTES

The 2020 *Abstract* pours a neon purple splash and an opaque maroon core with dark aromatics upfront. Black plum, boysenberry and hints of Bing cherry and lavender invite a taste. On the palate, the aromatics turn into the sense of taste along with a touch of dark chocolate and reduced blackberry. Supple drying tannins and a slight chalky texture close the wine with a calming finish.
