

China Doll

2019 CALIFORNIA ROSÉ

China Doll speaks loudly despite its delicate frame and pale blush appearance. Within is a soul of energy, a sense of fragility and the memory of harder times. The doll cries an unadulterated blue sky while the wine sweats on its own. For the second year in a row, Grenache and Syrah from the Central Coast was suited to meet the needs of China Doll—ripe aromatics balanced with veins of acidity. Sourced from Shokrian, Zaca Mesa and Rancho Real vineyards, the resulting wine matches the ethos of the China Doll label.

WINEMAKER'S NOTES

A vibrant salmon in the glass with a hint of ruby on the rim, the wine opens with aromas of freshly sliced strawberry and candied cherry. On the palate, the aromas carry through with an addition of fresh cream and red Honeycrisp apple skin. Mouthwatering and zippy throughout, the refreshing nature of the wine makes it quintessentially China Doll.
