

FACE VALUE

2019 CALIFORNIA RED WINE

To 'take someone at face value' is to give a person the benefit of doubt about an offer or the reasoning behind an action. Every time you purchase a bottle of wine you've never heard of, you're taking it at face value. You hope that the wine within the bottle has been cared for and produced for maximum enjoyment. At Orin Swift, we strive to create art both on and within the bottle. *Face Value* does just that with a unique blend. Sourced primarily across Northern California, the wine features fruit from Stagecoach, Sun Lake, Cypress, Morisoli and Snows Lake vineyards.

There are 96 different labels and is only available in 1.5L Magnums.

WINEMAKER'S NOTES

Blustery aromas of typical Cabernet Sauvignon but with a twist: cassis, blackberry, blueberry, fresh cut cedar, Provençal ratatouille, spicy Thai chili and a touch of black plum. An immediate weight on entry captures the gravitas of the palate; notes of decadent layered chocolate cake, blackberry compote and a mélange of licorice, rhubarb and tarragon round out the taste. Chewy and textured tannins follow with a lingering sensation of baking chocolate on the finish.

BLEND

Cabernet Sauvignon, Syrah, Merlot

MATURATION

Aged 12 months in French Oak, 33% New

ALC/VOL

16.1%
