Holiday 2021 Shipping Guide

We use multiple warehouses to ensure the fastest possible delivery to you and your gift recipients. However, this year shipping carriers are forecasting record demand for home delivery service. That means longer delivery turn-around than what you normally see on your orders with Orin Swift. To continue to meet your expectations, we encourage you to start placing your holiday orders earlier than normal to get your gifts delivered on time.

	Thanksgiving	Christmas	New Years
Ground Shipping	11/15	12/15	12/20
2-Day Air	11/17	12/20	12/27
Overnight	11/22	12/21	12/28

If you have multiple gift recipients or corporate gift order requests, please contact michella@orinswift.com and we'll be happy to assist you.

Helpful Delivery Tips:

- Make sure someone 21 years or older is available to accept the package.
- If you will not be available on the expected delivery date, give us a call to help redirect your package or arrange to have the carrier hold your package for pick up.

We are grateful to be part of your holiday season!
