### 2020 CALIFORNIA GRENACHE

The seventh most planted grape varietal in the world, one can argue that Grenache is the more versatile than any other. It thrives in warmer climates but can suit any winemaking style—from the light and acid forward wines of late to the brawny and massive versions with opulent weight. We've been fortunate to source Grenache from across the state for various wines—China Doll, Abstract and even some of our Equinox wines. However, Trigger Finger puts Grenache front and center and is reserved for our absolute best lot of the vintage; this year, the wine is sourced from the Dark Horse Ranch Vineyard in Mendocino.

### WINEMAKER'S NOTES

A glowing ruby core with a scarlet rim, the wine opens with a gorgeous nose of wild strawberry—both fresh and candied—white pepper, crushed rose petals, wet asphalt and cream soda. Throughout the palate, the wine is framed with a strong, broad structure accented with notes of pomegranate, cherry, hibiscus and rose. The finish is delicate with some drying tannins allowing it to be paired with food or laid to rest for some time.
