

VELADORA

2020 Sauvignon Blanc
Napa Valley

The bedrock to our livelihoods, the farm working community has suffered through the Covid-19 pandemic. While most of society was able to work from home, these individuals continued as normal, allowing for grocery stores to be plentiful with food. The wine industry has faced similar challenges, and we at Orin Swift have continued our support for this essential group of people. Veladora is our dedication to the hard-working farm community.

WINEMAKER'S NOTES

A pale straw with a neon chartreuse rim, the wine opens with leaner aromatics than previous years: white nectarine, bosc pear, flint, wet stone and hints of pineapple and lemon custard. A coating entry with plump grapefruit, honeydew, a touch of lemon, pith and extra cream excite. Bright acid on the finish quenches and ends with a note of granny smith apple.

CAUSE

Everyday a largely mostly anonymous workforce of men and women labor hard in the vineyards and wineries of Napa Valley. Most of them have left behind not only their country of origin but also their husbands, wives, and children in order to make a better life and find a small piece of the American Dream. To help them realize this dream, we at Orin Swift Cellars are happy to continue our tradition of supporting *Puertas Abiertas (Open Doors)*, by donating \$65,000 to their worthy causes each year. *Puertas Abiertas* is a coalition formed by our dear friend, Father Gordon Kahil, which provides dental services, counseling and health screenings for those in need without checking for immigration status. We choose to use an image of Our Lady of Guadalupe for the label to further convey our deep respect for and recognition of the Latino heritage of our fellow farm workers. For more information, please visit <http://www.puertasabiernasapa.org/>.

BLEND

Sauvignon Blanc sourced from the Solari and McGah vineyards

MATURATION

Barrel Fermented in French Oak for 3 months, 25% New

ALC/VOL

15.6%
