## **2024 CALIFORNIA CABERNET SAUVIGNON**

*Bloodlines* is a story of both history and obsession.

Dave Phinney's connection to the wine industry runs deeper than he initially knew. After uncovering his extended family history, he discovered that winemaking had been on both sides of his family for generations. The winemaking “bloodline” had been there all along, perhaps silently guiding and inspiring the obsession.

At Orin Swift, we push ourselves harder each day and move the goal post just before we reach it. Sourcing is intentional, blending is precise and labels are perfected. Case in point - the red Orin Swift rings are more than meets the eye – Dave drew them by hand over 300 times before they were right. The devil is in the details and simply put, we are obsessed.

## **WINEMAKER'S NOTES**

The deep core pulls one into the glass of the *2024 Bloodlines*, complemented by a neon fuchsia rim. Aromatically, the wine exudes notes of pluot, boysenberry, blackcurrant, black pepper and leather. As the wine opens, further complexity is revealed highlighted by a rocky perfume. Taut and balanced with acidity, the palate fills with rich notes of blackberry, lavender and a lengthy close of drying tannins.

## **BLEND**

Cabernet Sauvignon

## **ALC/VOL**

14.9%

**ORIN SWIFT**
